

MATH IN DAILY LIFE

Sets at the Market

Tập hợp trong đời sống

VOCABULARY ROADMAP

1. Set
Collection of distinct items.

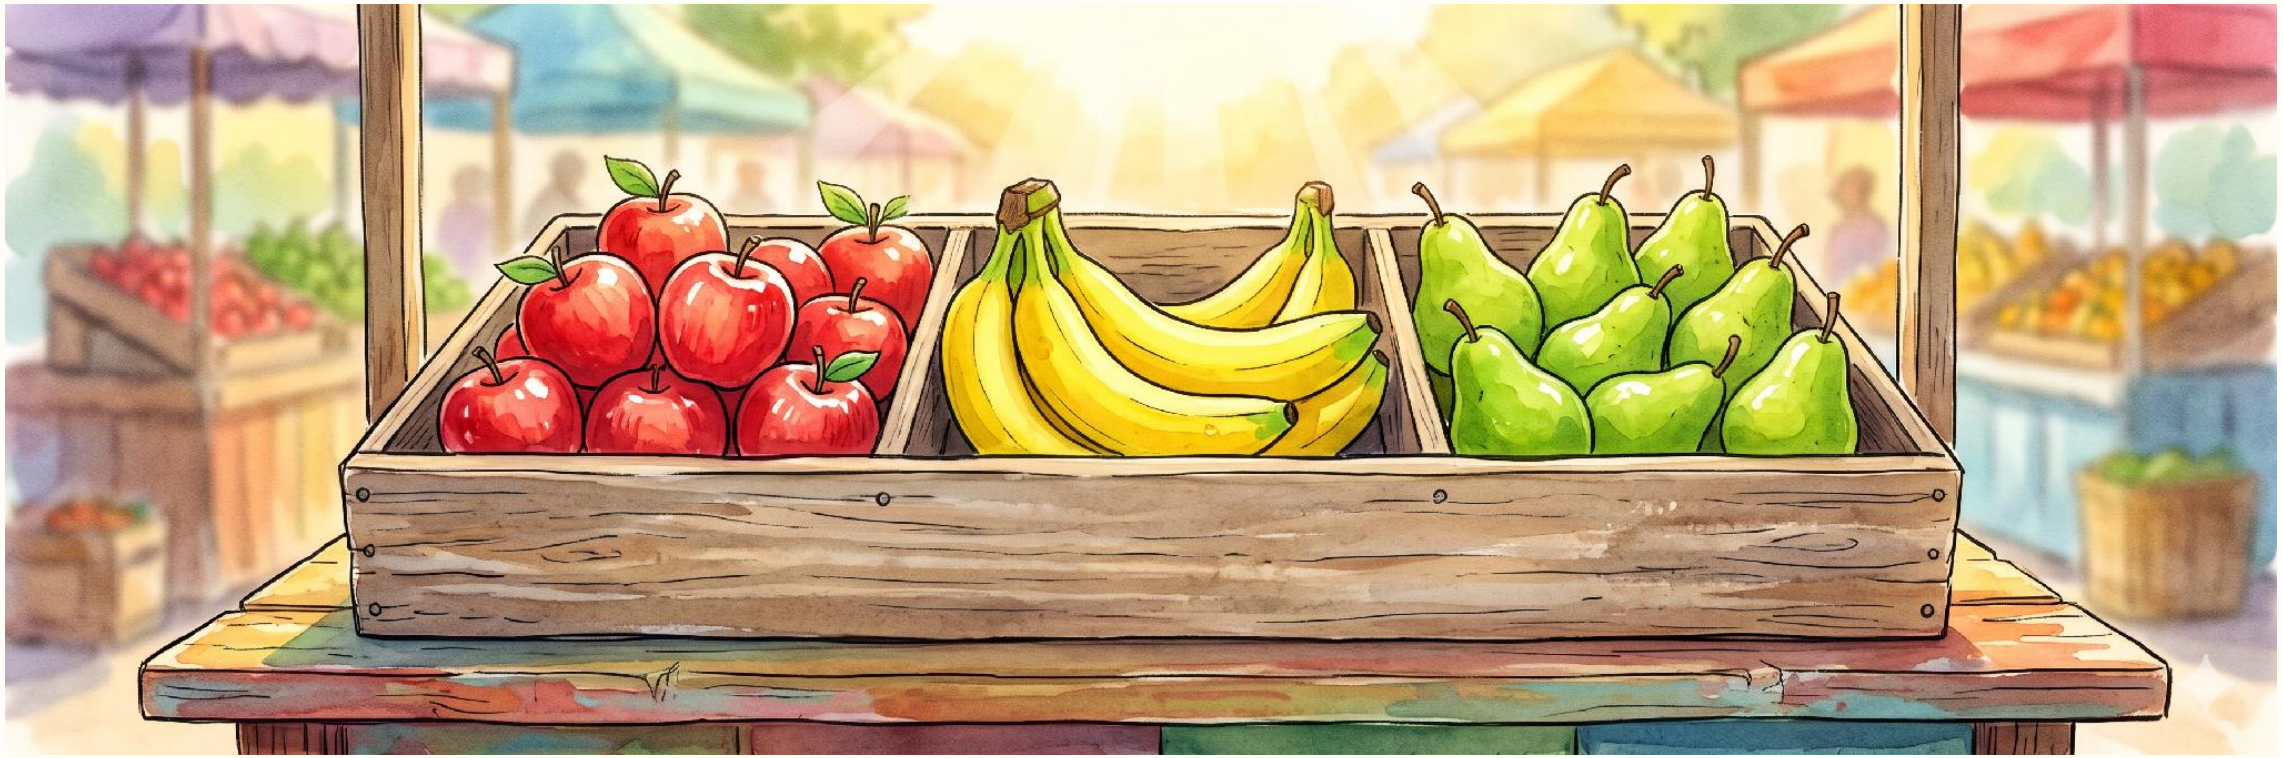

2. Element / Member
Single object inside a set.

3. Belongs to (∈)
Item is inside the group.

4. Does not belong to (∉)
Item is outside the group.

5. Empty set (∅)
Basket with zero elements.

6. Natural numbers (ℕ)
Counting numbers 1, 2, 3...

Set /set/ Tập hợp

F = { apple, banana, pear }

“This is a set of fruits.”

All fresh fruits are grouped together in one wooden crate.

Element / Member /ˈel.ɪ.mənt/ Phần tử

Apple → Element of F

“An apple is an element (or member) of the fruit set.”

Each individual fruit in the stall is one member of the set.

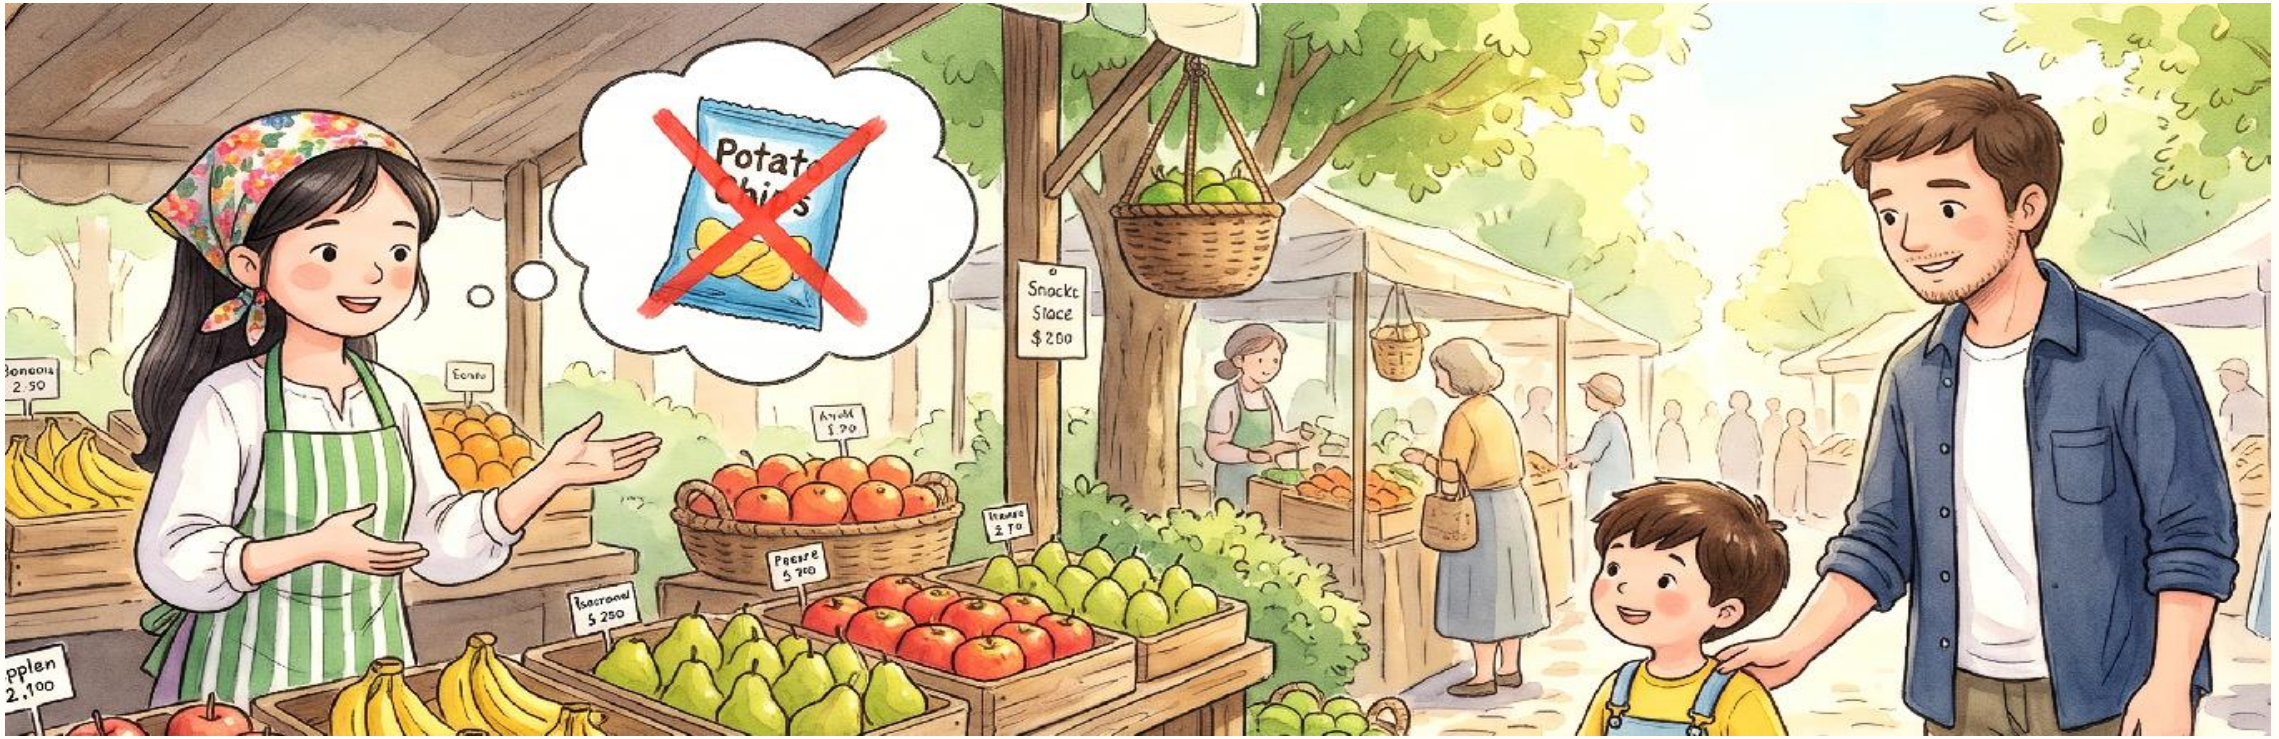

Belongs to /bɪˈlɒŋz tuː/ — Thuộc về (∈)

Apple ∈ F

“The red apple belongs to the set of fruits.”

Use belongs to (symbol ∈) when an item is inside the set.

Does not belong to Không thuộc về (∉)

Snack ∉ F

“Snack does not belong to the set of fruits.”

A bag of chips is a snack, so it is not a member of the fruit set.

QUICK CONTRAST

Belongs to (∈) vs. Does not belong to (∉)

∈ Belongs to
Banana ∈ Set of Fruits

- **Meaning:** Inside the group.
- **Example:** Pear belongs to fruits.

∉ Does not belong to

Chips ∉ Set of Fruits

- **Meaning:** Outside the group.
- **Example:** Candy does not belong to fruits.

Empty set /'emp.ti set/ Tập hợp rỗng (ø)

B = { } = ø

“All the fruits are sold out. This basket is an empty set.”

A set with zero elements is written as { } or ø.

Set of natural numbers

Tập hợp số tự nhiên (ℕ)

ℕ = { 1, 2, 3, 4, ... }

“We count 1 apple, 2 oranges, and 3 bananas using the set of natural numbers.”

Counting numbers (1, 2, 3...) belong to the set of natural numbers (ℕ).

Exercise 1:

FILL IN THE GAP EXERCISE

1. A collection of elements is called a _____.

1. Symbol ∈ means an element _____ a set.

1. The _____ contains no elements.

1. 5 _____ the set {1, 2, 3, 4, 5}.

1. A = {x | x ∈ ℕ and x < 1} is an _____.

1. The set ℕ is the _____.

1. An element is also called a _____.

WORD BANK

Set • Element / Member • Belongs to • Does not belong to • Empty set • Set of natural numbers

GREAT JOB!

Ready for Math in the market!

Set • Element • Belongs to (∈) • Does not belong to (∉) • Empty set (∅) • Natural numbers (ℕ)
